

## SEPRC Performance Awards

There is both a rider and a pony performance trophy to aim for in the performance award scheme run by SEPRC. Points will automatically be awarded to all participants at SEPRC events as set out below.

Participation in an event as a helper will gain you points as well, this will count towards the Hovera Shield for Best Helper, presented annually at the AGM.

The results of the Performance Award scheme will be announced annually at the AGM, the winner of the Rider Performance Award receiving the Rosslyn Trophy and the winner of the Pony Performance Award receiving the Curdiff Cup.
